

Recital 2023 Handbook

CDC Family & Friends,

Recital is the most exciting part of our year, but it can be a little overwhelming. We have designed this handbook to help guide parents and students through recital, with ease, by having all the information in one place.

We are so excited to dance at the Perkinson Center for the Arts and Education for a second year. A brand new, state of the art theater, where no detail has been spared!

If you have any questions, especially if this is your first recital, please do not hesitate to ask. We want every dancer and parent at CDC to have the best recital experience possible!

CDC Faculty & staff,

Carrie, Lauren, Jamie, Cat, Rave, Sheila, Colleen, Keyara, Jamie & Allyson

SENIOR BIOS/INFORMATION

Congratulations to our CDC graduating seniors! We wish you all the best of luck on your future endeavors, and you will always have a home at CDC!

Please make sure you grab one of the bio forms from the office and fill it out to be returned to the office by **Friday, May 12th**.

CDC graduating seniors...**Emily Acome, Sonia Dove, Avery Lodge, and Sarah Kuder**...if you are a senior and we missed you, please let us know as soon as possible!

DRESS REHEARSAL

Dress rehearsal for all students participating in all shows is THURSDAY, JUNE 1st and FRIDAY, JUNE 2nd at the PERKINSON CENTER FOR THE ARTS AND EDUCATION

Dress rehearsal is **mandatory** for all students participating in the recital. If you have extenuating circumstances that prevent you from attending the dress rehearsal, contact the office and we will do our best to accommodate you; however, this is only in situations that you absolutely cannot avoid.

A schedule for dress rehearsal can be found on the following pages. The schedule will give specific rehearsal times for each class and all dancers are expected to be at dress rehearsal at least **30 minutes prior** to their first call time. We normally run ahead of schedule, but since this is a new venue for us, we could run behind.

Students will need to bring all costumes, tights, accessories, and shoes to dress rehearsal. Belongings can be left in the theater overnight.

Students do not need to wear full stage make-up for dress rehearsal but may wish to wear a little to practice. In addition, at dress rehearsal all students **must** wear the specified hairstyle (with hair accessory if applicable) for each dance; this is a good time to practice styling the hair correctly and it looks much nicer to have the hair neat and uniform.

You may take pictures and video at dress rehearsal, but absolutely **NO PICTURES OR VIDEO CAN BE TAKEN DURING THE ACTUAL SHOW(S)**. ShutterStorm will be taking pictures and videos for all shows.

RECITAL DAY INFORMATION/ETIQUETTE

Student Pick-up/Drop Off

Parents or guardians should check-in at the front lobby and bring the students to their assigned dressing rooms (check-in person will direct you), where they will be checked in and placed under the supervision of their parent rep. Parents are not allowed in the dressing rooms after the children have been checked in for their number unless your child has to be changed for their next dance and you have approval from the parent reps. **Dads are not allowed in the girls' dressing rooms at any time!** After the finale, parents should pick their child up at the check-in/out table. This process takes a few minutes, but the safety of your children is our number one priority, so please be patient.

Parking

Convenient on-site parking is available for free behind the Perkinson Center and at the Chester Library. There is also limited street parking available. Please be mindful of any signs indicating time limits or handicap accessibility.

Students in Audience

You may watch the show if you are finished performing or have several numbers before you are to perform. You **MUST** have a ticket to watch the show (CDC student tickets are \$5), but we would rather your dancer watch the live stream from the dressing room. No dancer should go into the audience in costume. A "cover-up" can be worn over to hide the costume. We ask that dancers be backstage and ready **NO LESS THAN 5** numbers before they are to go on stage (i.e. your dance is #12, you need to be backstage after #6 - see "Coming & Going"). **WE WILL NOT GO INTO THE AUDIENCE TO FIND YOU!** If you aren't backstage, your dance will be performed without you.

Backstage Etiquette

When backstage, please be sure to remember that there are others performing on stage. With that being said, remember there is **NO TALKING!** Your voice travels with ease when backstage. Also, be sure to enter in and out of the backstage area in between dances. **Do not open** the doors during a blackout. Again, the light will travel right through to the audience. Students will be escorted in and out of the backstage area by a staff member or parent volunteer. Also, when you are backstage, be sure to stay away from the wings and do not block the entrances to the stage as there are dancers who will be entering and exiting from the stage before you.

Dressing Room Etiquette

Dressing rooms will be assigned and labeled. Please make sure that you are in the correct dressing room! When in the dressing rooms, please remember to talk quietly. **There are to be no men in the girls' dressing rooms at any time** (boys will have a separate dressing room)! Also, students are to pick up any trash and be sure you leave with everything you came in with.

Finale Bow

After the show, every student is invited to bow with their class. **We would LOVE to have all dancers onstage for our final bow!** If your dancer is in the audience, please have them go backstage 2-3 numbers before the last performance. Parents can pick their child at the check-in/check-out table after the bow.

COSTUME/HAIR REQUIREMENTS

Listed below are the specific requirements for each class. Please make sure you have all needed items and consult the appropriate faculty member with further questions. Any class that list tights for a requirement were ordered with your costume and are not an additional requirement (if you did not receive a pair, please contact the office). If you run or lose your tights we do have limited sizes available for purchase at the check-in table. In addition, please **DO NOT WEAR UNDERWEAR UNDER YOUR COSTUME!**

OR

to use a "bun former" or "Donut", click the link below

All students are required to wear make up for the performances. Dancers, even the young ones, wear makeup on stage in order to make their faces and expressions visible to the audience. Makeup can emphasize facial features that would otherwise be washed out by bright stage lights. For helpful hints and examples, check out the website below. dELIRIUM uses the "Prima Diva" templates for competitions (link below). **Little ones are only required to wear blush, mascara and lipstick.**

Seat selection options

- Get best seats for all
- Choose your same seats for all
- Choose different seats for each

- If you choose “Best Available for All Shows”, the system will choose the most forward and center seats it can find for each show. This option is not suggested.
- If you select “Choose Same Seats for All”, on the seating chart that appears, you will be able to choose whatever seats are still collectively available for the shows that you choose.

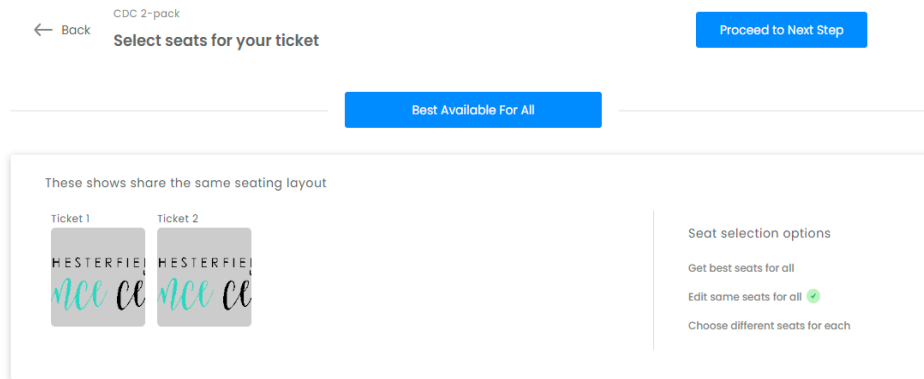

- The more shows you are choosing through, or the later you choose your seats, the less likely that the same seats will be available for all the shows.
- If you select “Choose different seats for each”, you will then click “Choose Seats” for your first show.

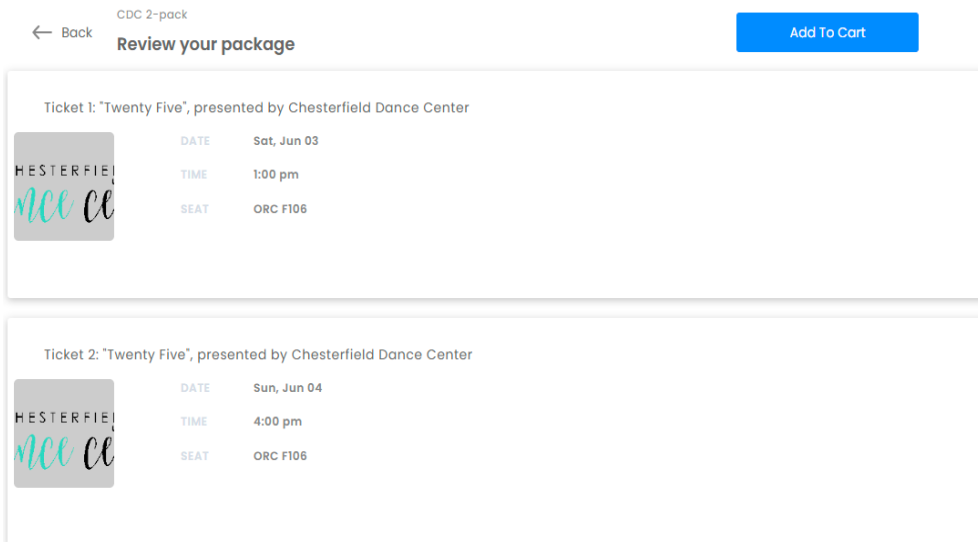

- Select your seat(s) individually for that show, click “Done”, and then do the same for all other shows. This is the most likely option to get the best seats you want.

5. Click "Proceed to next step"

6. On the confirmation page, review your seat selection and say "Add to Cart"

7. This will give you your cart.

AUDIENCE ETIQUETTE

Cell Phones

Upon entering the theater please turn off all cell phones to a silent setting. If you need to make or receive a call please do so outside of the theater (refer to "Coming and Going" below).

Coming and Going

Please do not leave the auditorium during a dance performance unless, of course, there is an emergency. During the breaks in a recital, before and after a dance number is performed, the usher will allow you to move in and out of the auditorium. There will also be an intermission, which will be noted in your program, during which everyone is permitted to enter and exit the auditorium.

Noises and Children

Please do your best to refrain from any excess noise making while in the theater. If you have small children who start to fuss, please find the nearest exit. Remember to respect those around you and the performers on stage.

Photos and Videos

Flash photography of any kind is strictly prohibited during the performance as it is a hazard to the dancers. There will be a professional videographer and photographer for all the performance. Chesterfield Dance Center, LLC owns the rights to all choreography performed onstage and unauthorized videos will be confiscated.

Food and Drink

Food and drinks are prohibited in the theater. During intermission you may enjoy snacks and refreshments in the lobby that are available through the theater. Please be sure you finish your snacks and beverages before re-entering the auditorium and please dispose of all trash.

Clothing

Many times the theater is kept cold, so bring a sweater or dress in layers to be more comfortable. Students who are watching the show must either remove their costumes or have them covered.

Dancers

If you wish to watch a number during the recital, remember that you may **NOT** go into the audience in your costume. Please be sure that you put something over it. You are expected to be on your best behavior when in the audience and be respectful of the people around you. Also, be sure to be back stage at least 5 numbers before your own.

INDIVIDUAL PICTURES

If you would like individual pictures, we have revised our system to allow more time for them. Below this page, you will find a schedule of individual picture times. Each class is blocked into a 15 minute time slot with another class (should be close to your group picture time). To make it easier to understand, in the first column is the time of your individual picture time slot for the class listed in column 2, and the third lists the class group picture time (previously scheduled). **POSES MUST BE FIGURED OUT BEFOREHAND. WE WILL NOT POSE INDIVIDUALS.** There will be some samples provided for reference.

VIDEOS

ShutterStorm will also be recording our shows and taking action shots during all shows. Every dancer (or family) will receive a digital download of ALL shows (paid with your recital fee). Please allow 8 weeks for processing and editing. Your digital download will come from a Dance Studio-Pro (us) email, and will also be found on your parent portal as soon as they are available (under email history).

In addition to the digital video, ShutterStorm will be taking action shots during the recital. These will be able to be viewed for purchase a few weeks after the recital (an email will be sent).

Shutter Storm is a multi-media company primarily based in the world of competitive dance and recitals. They specialize in the art of archiving creative and artistic movement through photography and videography.
