

Recital 2025 Handbook

CDC Family & Friends,

Recital is the most exciting part of our year, but it can be a little overwhelming; especially if it is your first time! We have designed this handbook to help guide parents and students through recital by having all the information in one place.

We are so excited to dance at the Perkinson Center for the Arts and Education for a third year. A state-of-the-art theater, where no detail has been spared!

If you have any questions, please do not hesitate to ask. We want every dancer and parent at CDC to have the best recital experience possible!

CDC Faculty & staff,

Carrie, Lauren, Jamie, Cat, Rave, Sheila, Colleen, Keyara, Neo, Jamie & Allyson

SENIOR BIOS/INFORMATION

Congratulations to our CDC graduating seniors! We wish you all the best of luck on your future endeavors, and you will always have a home at CDC!

Please make sure you grab one of the bio forms from the office (we can also email it to you) and fill it out to be returned to the office by **Friday, May 2nd**. CDC graduating seniors 2025...Abigail Craze, Isabella Florin, Lillian Franklin, Chelsea Knight, Molly Melinat, **Laura Ramirez**, Olivia Rogers, **Mary Smithbey**, and Marissa Wood ...if you are a senior and we missed you, please let us know as soon as possible!

DRESS REHEARSAL

Dress rehearsal for all students participating is **THURSDAY, JUNE 5th, and FRIDAY, JUNE 6th at the PERKINSON CENTER FOR THE ARTS AND EDUCATION.**

Dress rehearsal is **mandatory** for all students participating in the recital. If you have extenuating circumstances that prevent you from attending the dress rehearsal, contact the office and we will do our best to accommodate you; however, this is only in situations that you absolutely cannot avoid.

A schedule for dress rehearsal can be found on the following pages. The schedule will give specific rehearsal times for each class and all dancers are expected to be at dress rehearsal at least **30 minutes prior** to their first call time. We normally run ahead of schedule and we can only wait so long in order to keep running on schedule.

Students will need to bring all costumes, tights, accessories, and shoes to dress rehearsal. Belongings can be left in the theater overnight.

Students do not need to wear full stage make-up for dress rehearsal, but may wish to wear a little for practice. In addition, at dress rehearsal all students **must** wear the specified hairstyle (with hair accessory if applicable) for each dance; this is a good time to practice styling the hair correctly and it looks much nicer to have the hair neat and uniform.

You may take pictures and video at dress rehearsal, but absolutely **NO PICTURES OR VIDEO CAN BE TAKEN DURING THE ACTUAL SHOW(S)**. Shutter Storm will be recording for all shows. We will also have a photo backdrop to allow pictures to be taken when classes/dancers come offstage (at dress rehearsal & the shows) and NEW this year, we will offer individual pictures with Katie Kraft (see "Pictures" for more info).

Dressing Room Assignments

Parents or guardians should check-in at the front lobby and bring the students to their assigned dressing rooms (check-in person will direct you), where they will be checked in and placed under the supervision of their parent rep. Parents are not allowed in the dressing rooms after the children have been checked in for their number unless your child has to be changed for their next dance and you have approval from the parent reps. **Dads are not allowed in the girls' dressing rooms at any time!** After the finale, parents should pick their child up at the check-in/out table. This process takes a few minutes, but the safety of your children is our number one priority, so please be patient.

The **QUICK-CHANGE** room may be utilized by anyone with **2 or less dances** between numbers. If there are 3 or more dances between numbers, we do not consider that a quick change (it equates to about 10 minutes for 3 dances). **For children who feel uncomfortable changing in an open space (all windows and doors will be covered), we recommend getting a skin-tone colored leotard that they can wear under their costumes. Here are some links to a few, but there are several options online:**

RECITAL DAY INFORMATION/ETIQUETTE

Student Pick-up/Drop Off

Parents or guardians should check-in at the front lobby and bring the students to their assigned dressing rooms (check-in person will direct you), where they will be checked in and placed under the supervision of their parent rep. Parents are not allowed in the dressing rooms after the children have been checked in for their number unless your child has to be changed for their next dance and you have approval from the parent reps. **Dads are not allowed in the girls' dressing rooms at any time!** After the finale, parents should pick their child up at the check-in/out table. This process takes a few minutes, but the safety of your children is our number one priority, so please be patient.

Parking

Convenient on-site parking is available for free behind the Perkinson Center and at the Chester Library. There is also limited street parking available. Please be mindful of any signs indicating time limits or handicap accessibility.

Students in Audience

Due to the size constraints of The Perkinson Center, CDC students are not allowed to watch the show from the audience (unless they have a sibling in another show). Your dancer can watch the live stream from the dressing room.

Backstage Etiquette

When backstage, please be sure to remember that there are others performing on stage. With that being said, remember there is **NO TALKING!** Your voice travels with ease when backstage. Also, be sure to enter in and out of the backstage area in between dances. **Do not open** the doors during a blackout. Again, the light will travel right through to the audience. Students will be escorted in and out of the backstage area by a staff member or parent volunteer. Also, when you are backstage, be sure to stay away from the wings and do not block the entrances to the stage as there are dancers who will be entering and exiting from the stage before you.

Dressing Room Etiquette

Dressing rooms will be assigned and labeled. Please make sure that you are in the correct dressing room! When in the dressing rooms, please remember to talk quietly. **There are to be no men in the girls' dressing rooms at any time** (boys will have a separate dressing room)! Also, students are to pick up any trash and be sure you leave with everything you came in with.

Finale Bow

After the show, every student is invited to bow with their class. **We would LOVE to have all dancers onstage for our final bow!** Parents can pick their child at the check-in/check-out table after the bow.

COSTUME/HAIR REQUIREMENTS

Listed below are the specific requirements for each class. Please make sure you have all needed items and consult the appropriate faculty member with further questions. Any class that lists tights for a requirement were ordered with your costume and are not an additional requirement (if you did not receive a pair, please contact the office). If you run or lose your tights, we do have limited sizes available for purchase at the check-in table. In addition, please **DO NOT WEAR UNDERWEAR UNDER YOUR COSTUME!** All **YELLOW HIGHLIGHTED classes are not finished**. They will be updated as soon as they are received from the faculty (next draft).

TAP

Perkinson Center RULE: Tap shoes will not be allowed in the multi-Purpose Room (dressing room). Their floors have been heavily marked up from multiple studios performing there (wearing tap shoes), and they are trying to avoid having to replace the floor. If your child is in the multi-purpose room and in a tap dance, they will put their shoes on in the hallway leading to the backstage area. We will have plenty of volunteers to assist in this process. Please remember that the Perkinson Center is a non-profit and rely on people like us to rent the facility in order to keep it going. Let's help them preserve their floors by abiding by their rules.

HAIR/MAKEUP TIPS

All students are required to wear a ballet bun for each ballet number. For instructions on how to create the perfect Ballet Bun, click on the link below. https://www.youtube.com/watch?v=8Loypr_bsFo

OR

to use a “bun former” or “Donut”, click the link below

All students are required to wear make up for the performances. Dancers, even the young ones, wear makeup on stage in order to make their faces and expressions visible to the audience. Makeup can emphasize facial features that would otherwise be washed out by bright stage lights. For helpful hints and examples, check out the website below. dELIRIUM uses the “Prima Diva” templates for competitions (link below). **Little ones are only required to wear blush, mascara and lipstick.**

SHOW ORDER

Please note: If your child is enrolled in more than one class or you have multiple children dancing at CDC, there is a strong likelihood that your child or children will be dancing in **more than one recital show**. We would love to accommodate everyone and prevent that from being the case; however, that is not realistic and we apologize in advance if this upsets you. We promise our dancers will entertain you for the duration of each show! There will be a graduating senior introduction before each show and a 10-minute intermission between Act one and Act 2 in all shows.

AUDIENCE ETIQUETTE

Cell Phones

Upon entering the theater, please turn off all cell phones to a silent setting. If you need to make or receive a call please do so outside of the theater (refer to "Coming and Going" below).

Coming and Going

Please do not leave the auditorium during a dance performance unless, of course, there is an emergency. During the breaks in a recital, before and after a dance number is performed, the usher will allow you to move in and out of the auditorium. There will also be an intermission, which will be noted in your program, during which everyone is permitted to enter and exit the auditorium.

Noises and Children

Please do your best to refrain from any excess noise making while in the theater. If you have small children who start to fuss, please find the nearest exit. Remember to respect those around you and the performers on stage.

Photos and Videos

Flash photography of any kind is strictly prohibited during the performance as it is a hazard to the dancers. There will be a professional videographer for all the performance. Chesterfield Dance Center, LLC owns the rights to all choreography performed onstage and unauthorized videos will be confiscated.

Food and Drink

Food and drinks are ALLOWED in the theater. During intermission, the theater will have snacks and drinks available for purchase at their concession stand. Please be sure to dispose of all trash; don't leave it on the floor for someone else to clean up.

Clothing

Often times, the theater is kept cold, so bring a sweater or dress in layers to be more comfortable.

Dancers

All dancers should watch the show from the LIVE Stream in the dressing rooms.

VIDEOS

Shutter Storm will be recording during all shows. Every dancer (or family) will receive a digital download of ALL shows that was paid with part of your recital fee.

Please allow 6-10 weeks for processing and editing.

Your digital download will come from a Dance Studio-Pro email, and will also be found on your parent portal as soon as the download is available (under email history).
